HOBBIES

I'm Melake Wondwosen, a recent graduate in Applied Biology with CGPA of 3.47. With a solid educational background and a genuine enthusiasm for the field, I'm eager to leverage my expertise and contribute to the world of biology. My academic journey has equipped me with a strong foundation in the sciences, and I'm now seeking opportunities to apply my knowledge and skills to real-world challenges. I'm dedicated to making a meaningful impact through my work and am excited about the possibilities that lie ahead in the biological sciences.
